MAINTENANCE CORNER

Welcome to your new home! We're so excited to have you as part of our community, and our maintenance team is here to make sure your home stays comfortable and worry-free. Whether it's a quick repair, a question about your appliances, or routine upkeep, you can count on us for friendly, reliable service.

To help you get started, here are a few quick tips for keeping things in great shape:

Report issues promptly: Use our online resident portal or call the office as soon as something needs attention. The sooner we know, the faster we can fix it.

Keep it clear: Please make sure maintenance areas—like under sinks and around appliances—are accessible for any scheduled visits.

Pet safety first: If you have pets, secure them before your appointment so our team can work safely.

Simple upkeep goes a long way: Clean your dryer lint trap after each use, run your garbage disposal with cold water, and avoid flushing anything other than toilet paper.

You'll likely see our team around the property, so don't hesitate to stop us and say hello. We look forward to helping you settle in and keeping your home in tip-top shape!
