MAINTENANCE CORNER

Pumpkin Disposal Reminder

As the fall season continues, many of us enjoy decorating with pumpkins and gourds. When it's time to part ways with your pumpkins, please remember:

Proper Disposal

- Use a trash bag to keep disposal areas clean.
- Place pumpkins in the compactor because setting out for Valet Living may cause an overweight bag.
- Remove any candles, lights or decorations before disposing.

Please Avoid:

- Leaving pumpkins in hallways, breezeways or common areas.
- Tossing pumpkins into grassy areas: this creates a mess and can attract unwanted wildlife.

Why It Matters: Pumpkins may look festive, but they can spoil quickly, especially if the weather stays warm. As they decay, pumpkins can leak liquids, create unpleasant odors, and even leave stains on sidewalks, breezeways, patios and entryways. Prompt disposal helps keep our community clean!

Tip: If you'd like an eco-friendly option, check if a local farm or compost site accepts pumpkins after the season.

Thank you for helping us keep the community clean and welcoming this fall!

Wentworth Movie Theater

Lights, camera, comfort: Enjoy a true theater experience without leaving home in our private movie theater. Best of all—it's on a reservation system. There's no charge to residents, but you'll never have to worry about someone being in there when you want to use it.

The movie theater is set up and ready for resident use. Please follow the instructions underneath the screen to select from Cable, Guest Roku, Blu -Ray Player, HDMI (game/pc), and House Roku. "House Roku" is ready for resident use of the following services: Hulu, Disney+, Netflix, and ESPN+.

Cozy Up With Fall Movies

As the weather cools down and the leaves start to change, it's the perfect time to enjoy a movie night in! Classic fall favorites like *Hocus Pocus*, *When Harry Met Sally*, and *It's the Great Pumpkin, Charlie Brown* bring all the autumn vibes. For something new, check out this year's latest releases streaming on popular platforms. Whether you love cozy romances, spooky thrillers, or family-friendly animations, fall movies set the perfect backdrop for a relaxing night with popcorn, blankets, and warm drinks.
